The Retiree Medical Insurance Program Grant funding is higher compared to FY 04-05 based on increases in the number of retirees and increases in the monthly Retiree Medical Grant as a result of higher health premium costs. A total of \$3 million from Fund 295 will be utilized to fund a portion of the Retiree Medical Insurance Program Grant per directions from the CEO and Board of Supervisors.

The Retiree Medical Lump Sum expenses are higher compared to FY 04-05. This was actuarially anticipated as years pass and salaries of terminating employees are higher than they were in 1993 when the program was implemented (employee 1% contributions began).
